

**GUIDE TO CRIMINAL ACTIVITY PREVENTION AND RESPONSE;**

**MISSING PERSONS**

You should immediately dial the vessel's emergency number, 112, to report any missing person or criminal activity.

The vessel's Security department is responsible for responding to all alleged crimes and missing persons and can be contacted directly at any time by dialing ext. 112, or "0" for the Operator.

The Medical Center on Deck 4 can be contacted at any time by dialing ext. 4222 or "0" for the Operator for any required medical assistance.

*The World* has zero tolerance for crime on board. *The World* is required by United States law to report to the U.S. Federal Bureau of Investigation and U.S. Department of Homeland Security all serious crimes (homicide, suspicious death, kidnapping, assault with serious bodily injury, sexual assaults as defined by U.S. laws, firing or tampering with the vessel, or theft of money or property in excess of \$10,000), if the crime (1) occurs while the Ship is within the admiralty and maritime jurisdiction or the Territorial Sea of the United States; (2) the crime is by or against a United States national while the Ship is on the high seas; or (3) the crime is by or against a United States national during a voyage that departed from or will arrive at a United States port.

The U.S. Federal Bureau of Investigation (FBI) may assert criminal jurisdiction in all of these circumstances. Each of the nations visited, as well as the vessel's nation of registry, may also assert jurisdiction and/or impose additional reporting requirements. *The World* reserves the right to report any/all criminal allegations to any national, state or local law enforcement agency in addition to those mentioned.

For missing persons or felonies arising at any time during the voyage, you are strongly encouraged to immediately contact the vessel's Security department. You may also independently contact the FBI or U.S. Coast Guard, and for incidents within state or foreign waters or ports you may, in addition, contact local law enforcement authorities. Involving the vessel's Security department early on can help to insure that any alleged crime scene or evidence is preserved for law enforcement officials. Incidents which occur on the high seas may be reported to the law enforcement authorities in the next port of call and/or in The Bahamas, the place of the Ship's registry.

Contact information for these entities in the area of the current voyage will be made available to each Guest upon boarding *The World*.
