A PRIVATE YACHT AND  
LUXURY VACATION HOME IN ONE

Launched in 2002, *THE WORLD*® is the largest private residential yacht on earth where its residents travel the globe without ever leaving home. A diverse group of residents from 19 countries own the 165 luxury homes onboard, and share interests in world cultures, history, and adventure. Residents explore the planet's most breathtaking exotic and well-known destinations with like-minded adventure seekers from the comfort of their own private residence. This exclusive community enjoys the ultimate combination of luxury travel with world-class dining, custom

destination experiences, and enriching cultural events—all designed to bring the destination alive, and to foster a sense of community and the formation of lasting friendships. The ship offers a myriad of services and amenities, including a full-service concierge, spa and wellness center, art gallery, arts and crafts studios, billiards parlor, florist, gourmet deli, library, medical center, nightclub, non-denominational chapel, sports center offering real and virtual golf excursions to the world's top-ranked courses, theater, and youth programs.
